The Pier to Pier Way 33 - due to open Spring 2024

This attractive new route (13 miles each way) links Weston-super-Mare's Grand Pier and the historic Grade 1 listed Clevedon Pier. It also passes Birnbeck Pier, which after many years of neglect is now being refurbished. It follows quite roads and lanes, linked by the new Tutshill Greenway. Take the Sea Defences path to Clevedon Seafont or more direct signed routes to the Pier or centre of the town. For further information see www.n-somerset.gov.uk/piertopierway
